Why Evolution is a Fairytale for Grown-Ups - Why Evolution is a Fairytale for Grown-Ups by Creation Ministries International 250,910 views 6 months ago 24 minutes - --- Most people have been told that evolution is good, observable science. But industrial chemist, Dr Stephen Grocott, says ...

Teaser

Introducing Dr Stephen Grocott

Evolution is a 'once upon a time' theory of origins

Most scientists don't know evolution isn't 'observational science'

Illustration: Cockroaches in a blender

The law of decay: Time is an enemy, not a savior

The difference between historical and observational science

Is the design inference narrow minded—or the best fit for the evidence?

A personal journey from evolution to creation

Favorite evidences from chemistry that contradict evolution

Helium

Instability and decay in molecules

Chirality (or ‘handedness’)

Recap: Time is an enemy, not a friend

Chirality in fossils shows they are ‘young’

In conclusion: Follow the evidence, even if it’s uncomfortable!

Offer: Creation magazine + free gift

Earth Can’t be Old – Answering the Critics - Earth Can’t be Old – Answering the Critics by Creation

Ministries International 243,992 views 9 months ago 51 minutes - --- Why do **biblical creationists**, insist that the earth is ‘young’? Hasn’t science proven that it is millions/billions of years old?

Teaser

Introduction:\* Why believe that the earth can’t be old?

Why ‘historical science’ is different from ‘experimental science’

Historical science is subject to the investigator's preconceptions about history

In matters of history, the historical method trumps the scientific method

The myth of neutrality: Even scientists have presuppositions

Uniformitarianism: Is ‘the present the key to the past’?

How does the Bible give 6,000 years?

Challenge:\* “You can’t use the Bible’s chronogenealogies—they use rounding”

Challenge:\* “The early church fathers didn’t believe the earth was young”

Challenge:\* “The age of the earth doesn't matter; it’s a distracting side issue for Christians\”

An old earth undercuts the logical consistency of the Gospel

An old earth undercuts the character of God

An old earth undercuts the inerrancy of Scripture

An old earth undercuts the Bible’s explanation for death and suffering

Summary: It does matter!

Challenge:\* “Geology proves millions of years, via sedimentary layers and radiometric dating\”

Sedimentary layers are not consistent with ‘millions of years’ conclusions

Fossils in sedimentary rock show the layers were laid down rapidly

Millions of years can’t be found between the sedimentary layers, either

Summary: There’s no ‘millions of years’ in the rocks at all!

Case study: Rapid sedimentation at Mount St Helens

Case study: Radiometric dating at Mount St Helens

Radiometric dating does not (and cannot!) provide ‘absolute dates’

Challenge:\* “Population growth estimates don’t support biblical creation”

Challenge:\* “Soft tissue in dino bones is satisfactorily explained by the presence of iron”

How long can DNA be preserved?

Challenge:\* “Carbon-14 in dinosaur bones is not a problem for millions of years”

Conclusion:\* The biblical account makes so much more sense of real-world observations!

Why consider the Bible

Young Earth / Old Earth Debate

Steps of Creation

Implications

Why the Earth Can't be Old! - Why the Earth Can't be Old! by Creation Ministries International 1,647,689 views 1 year ago 51 minutes - --- Is the Earth 4.5 billion years old? How can we measure age with certainty?

What about radiometric dating methods—don't they ...

Introduction

Mark's story: How origins affected his faith (An old Earth undermines the Gospel narrative)

How do we determine the age of something? (You can't measure age!)

The dripping tap example (Dating methods rely on assumptions!)

Radiometric dates aren't definitive – assumptions rule

The importance of witness testimony

The importance of worldview / starting assumptions

So, how old is the Earth?

Evidence from radiometric dating / rocks

Evidence from sedimentation / erosion

Evidence from our solar system

Evidence from Earth's population

Evidence from carbon-14 in fossils

Summary: You can't measure age! (Everything depends on your assumptions!)

An old Earth calls God's character into question

An old Earth calls the inerrancy of Scripture into question

Conclusion: Three reasons the age of the Earth matters to a Christian

The Bible and age of the earth? | John Lennox at SMU - The Bible and age of the earth? | John Lennox at SMU by The Veritas Forum 538,457 views 2 years ago 4 minutes, 38 seconds - John Lennox explains how the **Bible**, doesn't make claims about the age of the earth. | SMU, 2016 | View full forum here: ...
